**TRADING STATEMENT**

In accordance with the Lusaka Securities Exchange ("LuSE") Listings Requirements, the Board of Directors of Puma Energy Zambia Plc ("the Board") wishes to advise the shareholders that for the year ended 31 December 2024 the basic earnings per share is expected to be 130% lower than that of the corresponding period last year for the Company.

This reduction is primarily attributed to the loss incurred during the reporting period, which was influenced by diminished margins, required provisions for customer delinquencies, impact from currency devaluation leading to currency exchange loss, and elevated finance costs.

The Company is scheduled to disclose its results for the year ended on 31 December 2024. This information will be communicated via SENS and will also be published in the local press on or around March 11, 2025. Accordingly, shareholders are advised to exercise caution when trading in the Company's securities until the official announcement of the results.
