TRADING STATEMENT

In accordance with the Lusaka Securities Exchange ("LuSE") Listings Requirements, the Board of Directors of Puma Energy Zambia PLC ("Puma" or "the Company") hereby advises the Shareholders of the Company that the Earnings per Share and Headline Earnings per Share for the year ended 31 December 2020 are expected to be approximately 52% higher than for the year ended 31 December 2019.

The gain can primarily be attributed to two factors. Firstly, during the year ended 31 December 2020, the company recorded stockholding gains following the price adjustment effected on 27th December 2019. Secondly, FX gains on operations were recorded compared to FX losses on operations in the previous year.

The Company expects its results for the year ended 31 December 2020 to be released on SENS and published in the local press on or 9 April, 2021. Accordingly, shareholders are advised to exercise caution when dealing in the Company's securities until the publication of the results.
